RANUNCULUS "Tecolote" GIANTS

New Crop Ready in September

The popularity of this famous strain, TECOLOTE GIANTS, is due to the magnificent and beautiful range of colors. Giant Double Camellia type blooms and huge brilliant Ruffled Doubles. The Yellow and White shades have light centers, while the Reds, Orange, and other bright colors, have black central boss. The main colors are bright and clear, and there are many variegated blooms of gorgeous color combinations. The separate shades offered are greatly improved and come true to color because the fields are carefully rogued while in bloom. **No other strain equals "Tecolote" Giants for size, color or doubleness of flower.**
